Valid Dec 2009–Apr 2011

Our wedding programmes are tailor-made. Contact us for a programme suggestion and price quote.

The sparkling white, crystallized landscape of winter in Lapland is the setting for our exclusive wedding holidays. Our wedding programmes are perfect for couples looking for an intimate and unique wedding in the midst of Europe's purest winter wilderness.

Be wed on a dog-sledge, cross-country ski or snowshoe tour, in the middle of a frozen lake, in a snow-laden forest, in a charming village church or in a luxurious log house by an open fireplace.

Our specialty is high quality service and customised programmes. Let us know the kind of wedding experience you are dreaming about and we will help you make it happen! Invite your closest friends and family, pack your bags and let us organise all the details of your trip.

Ceremony

We arrange civil or Christian wedding ceremonies. In order to be legally wed in Sweden, you will need to provide, in advance of your trip, some documents from your own country to the Swedish Tax Authority. Please contact us for further details

Accommodation

Your guesthouse accommodation at Aurora Retreat is located in a small village, well off the beaten tourist track and surrounded by expansive forests, pristine lakes and mighty rivers. From December to April, the landscape is covered with white untouched snow. The winter light is breathtaking and the Northern Lights often appear.

The guesthouse is a beautiful timber building and originally the village vicarage. It was built in the 1920's and has been renovated with environmentally sustainable living in mind. There are six simple, yet elegant and comfortable, double/twin rooms. There is a dining hall with open fireplace and group gathering rooms perfect for group celebrations as well as quiet corners for reflection and relaxation. The guesthouse provides a calm and peaceful atmosphere and fits in well with the surrounding nature and community

Cuisine

Meals and snacks are freshly prepared with the highest quality, organic, and seasonal ingredients available. Local wild meat and fish, root vegetables, grains and pulses form the basis of our wedding programme meals and celebration feasts. Small amounts of imported produce add variety. We happily accommodate those with special dietary needs with creatively prepared, fresh food
